Hello Insurance Brokers,

The pandemic has taken a toll on various industries in Malaysia including the insurance brokerage industry and MITBA is taking the lead with their 2021 plans which aim to 'Drive Transformation In The Insurance Brokerage Industry Whilst Giving Back To Malaysians'. MITBA celebrated past 45 years with innovative efforts and community-driven initiatives for members and Malaysians in need.

MITBA 2021 GOALS!To commemorate its milestone, MITBA has announced their 2021 plans as a driving force behind innovating the industry for the new decade. In light of the global pandemic, a special highlight in this year's plans includes fundraising efforts led by the 28 member broking houses of MITBA for pandemic-affected communities. To amplify efforts further, MITBA will be conducting virtual monthly informative industry talks that seek to empower Malaysians and the members, 1,400 brokers, with more savvy consumer knowledge. Alongside MITBA's recently developing partnership efforts with other industry associations, universities and non-profit organizations. MITBA aim to educate and enrich brokers and the public on the industrial changes of 2020 to kickstart 2021 with the right resources and tools to upskill into the next phase of our 'New Normal'.

In conjunction to MITBA's 45th years of excellence, we would like you to join Mr. Abdul Halim Jantan on Thursday, January 21st as he shares about the rapid industry changes and influence of technologically advanced solutions for a sustainable model in "The Next Normal". It's time to shift mindsets and be entrepreneurial in this dynamic industry!

The MITBA logo consists of the letters 'MITBA' in a bold, white, sans-serif font, enclosed within a white oval border. The background of the entire poster is red with white curved shapes and a diagonal striped pattern in the top left corner.
