

**A WEBINAR ON THE POST-
PANDEMIC PERSPECTIVE TO THE
C.A.R POLICY**

**IR POOBA MAHALINGAM
REGIONAL RISK CONSULTANT OF TALENT
ASIA TRAINING & CONSULTING (TATC)
SINGAPORE**

HELLO INSURANCE BROKERS!

In conjunction with MITBA celebrating 45 years of innovative efforts and community-driven initiatives for members and Malaysians in need, the organisation is taking the lead with their 2021 plans which aim to 'Drive Transformation In The Insurance Brokerage Industry Whilst Giving Back To Malaysians'.

In March, MITBA launched this year's fundraising mission led by the 28 member broking houses of MITBA for affected pandemic victims alongside conducting the first monthly virtual industry webinar led by the CEO of Sterling Group of Companies, Mr Abdul Halim Jantan.

For MITBA's special highlight for this month, we would like you to join Ir Pooba Mahalingam for a FREE online webinar on Wednesday, April 28 as he shares the implications of the Contractors All Risk's Policy and the challenges faced by insurance brokers to overcome the concerns throughout the current global pandemic.

MITBA

A Webinar on The
Post- Pandemic Perspective
To The C.A.R Policy

by Ir Pooba Mahalingam

Ir Pooba Mahalingam is a Regional Risk Consultant based in Singapore serving Asia and beyond. He is a Professional Engineer with over 30 years of experience in engineering, construction and insurance. Pooba contributes in risk management, training, consulting & advisory services at his firm, Talent Asia Training & Consulting (TATC). He served as the President of the Insurance Law Association of Singapore (ILAS) for three terms and currently holds a position as Council Member representing Singapore in the International Division of AICLA. A book entitled "Engineering Insurance" written by Pooba was published by the Malaysian Insurance Institute (MII) in 2019.

Pooba is also a Certified Trainer with HRDF (Malaysia) and has ACTA certification from Singapore. He is ready to address and highlight the technical challenges in relation to construction risks in the pandemic.

WEBINAR KEY TAKEAWAYS!

1. Identify the role and expectation of the Broker coupled with better technical subject knowledge in relation to the post – pandemic era.
2. Compare and contrast the types of losses that can occur on site.
3. Highlight the main policy condition and operative clause applicable to a few key policies and describe handling process, as well as the role of the loss adjuster / forensic scientist / consultant.
4. Appreciate contractors constraints and the role of various project stakeholders in the industry during this post-MCO period.
5. Understand the steps involved in application of the policy using case studies that will enhance the learning process – in relation to the post pandemic issues.
