3rd Asia Insurance Brokers' Summit

3-4 March 2015 • Mandarin Oriental, Kuala Lumpur

Theme: "Optimising the Role of Brokers in the Insurance Value Chain"

This 3rd Asia Insurance Brokers' Summit 2015 will cover the different aspects of the insurance broker's various duties and responsibilities, including working with corporate risk managers; providing risk assessment, risk advisory and other value-added services to corporate clients beyond just risk placement; being in dialogue with insurers as partners and offering inputs to regulators on industry matters, as well as including the world of networked brokers.

The Summit will also cover what insurance

brokers can expect as they grapple with regulatory changes, the unsettled business environment and strategic decisions on M&A to enhance capacity and capability, review their global business networks and relationships, find ways to be specialists, engage a new generation of businesses which are into the digital era, retain and grow their teams and further business services offerings, dig deeper into client handling and relationships, obtain better support from their insurers and more.

Who Should Attend

- Insurance Brokers
- CEOs and Senior Management of Insurance Companies
- Regulators & Supervisory Authorities
- Service Providers including Management Consultants, Lawyers, Technology Companies and Loss Adjusters
- Risk Managers
